

TV Audio Receivers

“MYE wireless receivers inside our cardio equipment provide a seamless entertainment environment we really appreciate.”

— STEVE STRICKLAND, CEO, WORKOUT ANYTIME

MYE Built-In Club TV Audio Receivers

The Choice of Leading Cardio Equipment Brands

Cardio machines with integrated MYE wireless receivers provide audio from any ceiling or wall mounted TV connected to TV audio transmitters. Members simply plug in headphones, select the TV on the console and enjoy.

MYE Built-In TV Audio Receiver Features:

- MYE integrated seamless design eliminates the need for Cardio Theater style receivers wire-tied to machines.
- TV Select, Volume Controls and Headphone Jack are integrated into machine console.
- Compatible with all MYE, Cardio Theater and BroadcastVision transmitters.
- Certification by equipment manufacturers ensures compatibility and validates machine warranty.
- Request integrated MYE Club TV Audio Receivers on your next equipment order.

Receivers & Transmitters

MYE Club TV Audio Receivers The Industry's #1 Selling TV Audio Receiver

MYE Eclipse Smart Programming TV Audio Receivers attach to any cardio machine for the clearest possible audio from any ceiling or wall mounted TV. Members simply select the desired TV and enjoy audio from their favorite programs.

- Smart Programming – One receiver wirelessly programs TV Transmitters to all other receivers saving installation time and cost.
- Headphone Jack Replacement Alert – Flashing icon alerts to replace worn or damaged headphone jack.
- Works perfectly with all MYE, Cardio Theater, BroadcastVision and other wireless audio transmitters.

- Combined 900/800MHz – One receiver works worldwide.
- TV Audio & FM Radio combined – Members have choice to enjoy TV audio and local FM Radio.
- 3-year warranty.

MYE Club TV Audio Digital Transmitter

- Official transmitter for integrated receivers in Cybex, Life Fitness, Matrix, Star Trac, SportsArt and FreeMotion cardio machines.
- Digital Audio and Standard Analog audio inputs.
- Universal compatibility with all MYE, Cardio Theater and BroadcastVision 900/800 MHz receivers.
- Includes Cardio Theater and BroadcastVision frequencies for easy install of additional transmitters.
- Standard analog audio input for traditional TVs with analog audio outputs.
- 5-year warranty.

MYE Club TV FM Transmitter

- Works with any FM radio or optional MYE Eclipse FM Only Receiver.
- Digital and analog input capability.
- Dual Diversity Antenna System for static and drift-free transmission.
- 5-year warranty.
